**MOTION FOR EXTENSION OF TIME TO FILE OBJECTIONS TO
REPORT AND RECOMMENDATION**

COMES Petitioner, Nayeem Gordon ("Gordon"), appearing *pro se*, and files his Motion for Extension of Time to File Objections to Report and Recommendation, and would show as follows:

I. Preliminary Statement

As a preliminary matter, Gordon respectfully requests that this Court be mindful that *pro se* pleadings are held to a less stringent standard than pleadings drafted by attorneys and will, therefore, be liberally construed. See *United States v. Otero*, 502 F.3d 331, 334 (3d Cir. 2007); *Estelle v. Gamble*, 429 U.S. 97, 106 (1976) (same); and *Haines v. Kerner*, 404 U.S. 519, 520 (1972) (same).

II. Reason for Extension

Due to the Covid-19 pandemic, the law library on the FCI Mckean compound has had very limited access for inmates. Especially in light of the July 4, 2021 Holiday this coming weekend. As such, Gordon has just received the detailed and cumbersome thirty-four (34) page Report and Recommendation ("R & R") of the United States Magistrate Judge. Because of the length of the R & R and his limited access to the law library, he seeks a thirty (30) day extension of time, up to and including July 28, 2021, in which to file his Objections to the R & R.

WHEREFORE, premises considered, Gordon prays that this motion be granted and that the Objections to the R & R be filed on or before July 28, 2021.

Respectfully submitted,

NAYEEM GORDON
